You Are In Control!

- No Monthly Fees
- **No Commitments**
- No Hassles
- Easy to Use
- **Freedom to Test** What Works Best!
- Cost Effective
- Web based, Secure & Available 24/7!

Finally direct mail made easy on a web site that puts you in control. Now you have the power to design a full color custom targeted mail piece and submit it into the US Mail by either standard or first class postage. **Isn't it time you took advantage?**

Test to see what works best! Use the platform for lead generation programs like: Just Listed/Just Sold and New Homeowners. The power of 123Mailit.com sits on top of a state of the art digital on-demand print platform offering your Business access to initiate marketing campaigns 24 hours a day 7 days a week.

 The 123mailit platform offers personalization and incorporates the ability to upload any mailing list into the platform. First you chose your list which can be your own customer list, a list you already are renting from November Direct, or you can use the platform to run a count to determine how many targeted consumers, businesses or new homeowners are in your marketing area!

 Once you have determined your market, now you can customize your direct mail piece utilizing a large selection of templates, images, colors, fonts and all the tools necessary to design a professional looking mail piece that promotes your brand.

 Now it is time to approve your mail piece and launch your campaign. You will be able to upload your mailing list and submit it with your final mail piece to be digitally printed, personalized and placed into the US Mail Stream!

**Now you can sit back and
answer the phone!**
